

Report- Donation To 'Kitaab Aur Kalam' Foundation

"Kitaab Aur Kalam Foundation" is a non-profit organization dedicated to educate under-privileged children. Presently, the foundation has 62 under-privileged children and they are providing evening classes to educate these children with the mission and belief that every child, regardless of their background or circumstances, deserves access to quality education services that can help them achieve their full potential.

Under the 'Community Outreach Service Program'- An initiative of Interact Club of Army Welfare Education Society, a donation drive was carried out by APS Jammu Cantt on 2-10-2024. Six teachers and sixteen students from APS Jammu Cantt visited "Kitaab Aur Kalam Foundation" and donated several stationery items along with 3 standing fans. Students of APS Jammu Cantt interacted with the under-privileged children and enquired about their standard of living, their primary requirements and the issues of their day-to-day life. The visit was very yielding for students of both the learning centres as they spent good quality time with each other. The program concluded with a delicious lunch provided to the children of "Kitaab Aur Kalam Foundation"
